ABC Nutritionals is an Irish owned and operated private label manufacturer of sports nutrition, weight management and lifestyle nutrition products. Our full service from research and development to manufacturing allows you to create your own brand of nutritional products by working with ABC Nutritionals.

All products made at ABC Nutritionals can be tailored to suit your own market place and conform to all necessary legislation within your country.

ABC Nutritionals is a multi award winning manufacturer of sports nutrition, weight management and lifestyle nutrition products based in Shannon Co. Clare, Ireland.

We specialise in development and manufacture of custom powder blends and capsules suitable for private label sports nutrition and health nutrition industry. All our products are 100% drug free and made to the highest international standards.

We believe that our competitive pricing alongside our exceptional quality record give ABC Nutritionals the leading edge in nutritional private label manufacturing worldwide.

In 2006, ABC Nutritionals set up a state of the art HACCP – approved facility in Shannon to manufacture powdered sports nutrition products. At present we manufacture many private label brands for customers in 16 European countries and also in Asia and the middle East.

The team at ABC Nutritionals has a combined experience of nutrition and sports nutrition of 35 years, manufacturing American and European brands. Our team of highly skilled people, many qualified to PhD level, create tailor made products that are targeted at the rapidly growth areas of sports nutrition, weight management and lifestyle nutritional sectors.
