## Nachhaltigkeit

- Galmere Fresh Food's mission is to exceed expectations, protect the environment and create equal opportunities.
- The company is passionate about food and sources the best available ingredients from its growers and producers.
- Within its current sustainability plan (2020 – 2024), the company is performing strongly across its waste and energy related targets.
- In the energy target area, the company achieved, on per unit basis throughout 2020, a 3% reduction in electricity, a 16% reduction in gas, and a

50% reduction in diesel usage by embracing route optimisation.

- The company is also performing strongly across the Raw Material Sourcing target area by focusing on supplier certification via standards such as the Bord Bia Sustainable Horticulture Assurance Scheme (SHAS).
