Kerrigan's Mushrooms is a family farm based just outside the historic town of Kells, Co. Meath. John Kerrigan established the farm in 1981 and it still remains a family-run farm to this day.

Kerrigan's Mushrooms grows and packs all of its own produce and its dedicated team work towards exceptional quality standards in order to deliver the best products.

Retailers include Tesco, Musgraves - SuperValu, Centra, Aldi, and independent retailers and wholesalers.

## Why Us

John Kerrigan has been growing mushrooms for over 30 years and his daughter Karen is also part of the Kerrigan's team. Together, they are extending the product range, sharing consumer and shopper knowledge, and developing recipes for the tastiest mushroom dishes.

All mushrooms are picked and packed on the farm on the same day before they sold to retailers in Ireland.
