CrossoguePreserves in its 25th year from one person to 8 people employed. All products handmade in batches of 20 thus retaining the superb flavour of fruit. Also no added sugar range of spreads sweetened by the batch of the birch tree suitable for diabetics and less calories.

Why Us

USPs are 1. hand made on family farm with 3 generations of family recipes and new innovative ones. 2. 100% natural products with no artificial additives and preservatives. 3. Pure high fruit content. 4. Hand made apple pectin. 5. Hand made in batches of approx. 20 jars. 6. winners of over 80 awards. 7. Suitable for vegetarians, fat free and gluten free. 8. FDA approved. 9. Artisan producer not supplying Super Markets. 10. No added sugar range of spreads sweetened with the sap of the birch tree suitable for diabetics and people not liking excess sugar. Low in calories.
