The Dingle Distillery began distilling on the Atlantic Coast of Ireland in 2012. We distil Single Malt and Single Pot Still Whiskey as well as pot still distilled Gin and Vodka. We are an independent craft distillery and all processes are done by hand. We don't source whiskey from anyone else - if it says Dingle on the bottle, it was distilled at the Dingle Distillery.

You can also enjoy the fruits of our labours in the form of Dingle Original Gin and Dingle Distillery Vodka.

Why Us

The Dingle Whiskey Distillery is not in the business of creating megabrands, nor do we distil for anyone else. Our scale is modest, our approach to what we make is essentially artisan and we have rekindled the tradition of independent distilling in Ireland.
