Nobó is an innovative Irish food business producing award-winning dairy-free ice-cream and uniquely creamy dairy-free chocolate. Nobó creates delicious plant-based treats, with simple ingredients, minimal processing and sourced as sustainably as possible. All Nobó's products are free from dairy, gluten, soya, additives and refined sugar. Nobó is plastic-free and uses compostable wrappers and recycled paper for all packaging. Nobó supply over 400 locations in retail in Ireland and supply to foodservice and direct to consumer and export to Europe, Canada and UAE.

Why Us

Unique product specification and award-winning taste - uniquely creamy dairy-free "milk" chocolate

Sustainable, Fair For Life, Plant-Based - the kinder chocolate & ice-cream

Clean label: simple, short natural ingredient list

Addresses consumer needs for free-from, balance, and indulgence

Chocolate has more than 50% less sugar than standard milk chocolate

Minimalistic brand identity, recognisable on shelf

100% recyclable & compostable – plastic-free
