Ornua is a dairy co-operative which markets and sells dairy products on behalf of its members; Ireland's dairy processors and, in turn, Irish dairy farmers.

Headquartered in Dublin, it has annualised sales of over €2 billion and a global team of 2,200 employees. Ornua operates from 10 business units worldwide, including 14 production facilities, and has sales and marketing teams working in-market across all four corners of the globe.

Ornua Ingredients is responsible for the procurement of Irish and non-Irish products and for the sale of dairy ingredients to food manufacturing and foodservice customers across the world. Ornua Ingredients is also responsible for managing volatility through de-risking and trading strategies

Why Us

Ornua has over 50 years' experience growing profitable routes to market for Irish dairy. It adds value through its brands and ingredients by marketing Ireland's unique selling point; its grass-fed advantage.

Innovation is at the heart of what Ornua does and it has dedicated innovation teams in both its foods and ingredients businesses, which meet the evolving needs of its customers.

Ornua is dedicated to growing its business in a sustainable and responsible manner.
