WE ARE A MICRO-DISTILLERY BASED IN WEST WATERFORD ON THE BANKS OF THE BLACKWATER RIVER. We like to keep it real, which is why early in the morning we switch on the lights, open the post and fire up the still. We make small batch gin the old fashioned way with 100% Irish spirit, real botanicals and lots of care and attention.

Why Us

Established in 2014, we craft a range of spirits including our award-winning gins, vodka and traditional pot still Irish whisky.
