Glanbia Ireland is Ireland's leading dairy and agribusiness company, owning celebrated consumer and agri-brands such as Avonmore, Kilmeaden Cheese, Premier Milk, Wexford, [mymilkman.ie](http://mymilkman.ie) and GAIN Animal Nutrition.

Exporting quality dairy and agri-ingredients as well as branded products to over 60 countries, Glanbia Ireland produces choice dairy products from grass-fed, pasture raised dairy herds.

Drawing from a 2.4 billion litre milk pool supplied by 4,800 family farms, combined with locally produced grains and state-of-the-art milling, this unique platform provides fully traceable and sustainably produced products.

Glanbia Ireland is a joint venture, 60% owned by Glanbia Co-op and 40% owned by Glanbia plc. Established in July 2017, it combines Glanbia Ingredients Ireland, Glanbia Consumer Products and Glanbia Agribusiness. With annual revenue of €1.5bn, Glanbia Ireland has 11 processing plants, 53 agri-branches and over 1,800 employees.
