Retail

Glenpatrick is a market leading, innovative drinks producer specialising in retailer house brands and brand co manufacturing.

Glenpatrick comprising of two companies – Glenpatrick Spring Water & Kilkenny Nutritional forms the beverage division of the international food company the Queally Group. We have been producing drinks at our manufacturing plants for both, global brands and international retailers, for over thirty years. We offer a complete end to end service to our customers from recipe formulation in our innovation centre, packaging solutions right through to product manufacturing and delivery.

Our expertise in production, innovation and sales & marketing is second to none in the industry and we look forward to driving growth in the business in the future – with the support of our loyal and valued customers.
