Started in 2004, a fire in 2011 closed us for 12 months. And since then, we have grown our 'Free-From' range of products to include Gluten Free and/or Egg Free, Dairy Free or Vegan products. All baked daily on the family farm in Athenry to original recipes. Available throughout Ireland, with growing exports into Europe and further afield.

Why Us

We specialise in the development & manufacture of a premium range of 'free-from' products, baked from scratch to original recipes on the family farm.
