Retail

We supply leading retailers in Ireland and the UK with branded and own label products for the freezer aisle and in store bakery.

We also cater for the foodservice market supplying all foodservice companies in Ireland and some of the leading foodservice companies in the UK.

We are now looking to bring our expertise to other international markets and with continuous capital investment we have sufficient capacity to service those international markets.

We are proud of our BRC Grade AA and only supplying RSPO certified products.

Why Us

BRC Grade AA facility.

Origin Green Approved.

Only supplying RSPO certified products.

Market leader in puff pastry production in Ireland.

Capacity available to service international markets.

Consistently performing products.

Golden Bake branded or contract manufacturing branded options available.

Customised products available with in-house new product development team.

Flexible packaging options including retail freezer aisle packaging, bulk-in-box for foodservice and food manufacturing customers as well as being able to pack display packaging in product case ideal for convenience stores and in-store bakeries.
