Retail

Wholesale packers and distributors of all varieties of both homegrown and imported potatoes in all sizes. Wholesale fresh produce company supplying the full range of fruit and vegetables. K&K Produce is one of the leading suppliers of fresh potatoes, fruit and vegetables in Ireland with state of the art packing and distribution facilities located in North Co. Dublin. Founded in 1984 by Tommy and Deirdre Kennedy, they are now joined by the next generation; Michael, Thomas and Lisa, who are all involved in the daily operations of the business. As a family and business, our goal is to deliver sustainable fresh produce to the Irish market all year round. We pride ourselves on growing our own produce and also work alongside our trusted network of farmers and growers nationwide to source home grown Irish produce. Our growers are passionate about the food they produce. The entire chain, from grower to distributor, treat our produce with the greatest care to ensure our products meet the highest standard and quality. Our company ethos is based on delivering excellent quality

produce and faultless customer service 365 days per year.

Why Us

As a family and business, our goal is to deliver sustainable fresh produce to the Irish market all year round. We pride ourselves on growing our own produce and also work alongside our trusted network of farmers and growers nationwide to source home grown Irish produce.
