Founded in 2003, Ribworld is part of a family-run business, M&M Walshe Group, Located in a purpose-built, state-of-the-art, EU approved BRC Grade AA+, IFS plant based in County Tipperary, Ireland

RibWorld enjoys European success through our premium brand RibWorld and co-branding Partnerships with major international brands like Jim Beam and Weight Watchers.

Our Internationally focused company supplies leading retailers, foodservice operators, quick service restaurants, and B2B customers across European Countries.

Specialising in sous vide products (fully cooked) RibWorld offers a wide protein range including pork, beef, ham, chicken, turkey, veal and lamb, with competitively priced products including ribs, fillets, medallions, shanks, shredded and pulled meats. Flavours can be customized for local requirements.

Along with a growing portfolio, RibWorld has a successful NPD team, offering on-going product innovation and providing excitement for customers and leadership in a continuous growth market sector.

Why Us

RibWorld's Mission is to deliver consistent great tasting products to our customers across Europe with each order. From our EU accredited plant in Ireland we only source raw material from similar plants. All Products are fixed weight, portion controlled and easy to reheat which facilitates ease of presentation, local creativity, individualism that adds both excitement and value for all customers.

RibWorld's core business strategy is Leadership and Consistency through ongoing product innovation achieved by listening to you, our customer, knowledge and sharing of International trends and creativity through our experienced sous vide NPD team.

RibWorld's ambition is to be European sous vide provide of choice by 2021
