The Foyle Food Group is a family-run group of companies with a farming heritage dating back several generations.

Established over three decades ago, it has a long-standing history of supplying quality beef to leading retailers, manufacturers, foodservice providers and butchers across the world.

Foyle operates nine state-of-the-art facilities on six sites - three in Northern Ireland, one in the Republic of Ireland, and two in England with the capacity to process 7,000 animals every week.

Why Us

With 30 years expertise, Foyle Food Group makes it easier for its customers to choose better.

It is at the forefront when it comes to technology, investing in the latest advancements to meet the needs of customers across the globe.

From ethics to economics and environment, its approach to sustainability is award-winning, while advanced DNA testing and traceability systems ensure Foyle Food Group knows everything about its beef from farm to fork.
