The company was established in February 2013 and currently employs 6 people. We use only the best ingredients and Irish dairy milk to create a delicious range of ice cream and frozen yogurt for the retail and food service sectors.

In 2017 we launched Yomega3 Greek Style Frozen Yogurt which delivers your RDA of Omega3 and Vitamin D in just one 65g scoop. Since its launch, this range has won a World Dairy Innovation award as well as Silver and Bronze at the Irish food Awards 2017.

In addition to the products manufactured on site, we also supply ambient products to accompany our ice cream, such as cones, sauces and toppings.

Why Us

Ice Cream Treats Ltd are experts in ice cream manufacture. We have the ability to offer bespoke recipes to our customers. We are a highly innovative company being first to market with our Yomega 3 range, which delivers important nutrients that can be enjoyed as a tasty treat for all the family without compromising on taste. We take the utmost care and attention to ensure our products are of exceptional quality.
