We are makers of traditional small batch yogurts for over 25 years in Killygordon, Co. Donegal. We make our lovely live yogurt from fresh milk nourished by the lush, green pastures of Donegal. Our wide range of yogurts offer a balance of great taste, nourishment, and convenience.

Why Us

Our mission is to support busy people to create a little balance throughout their day. Our consumer-insight led innovation drives NPD, allowing us to bring products to market that balances great taste and nourishment. Making it easy to create balance throughout your day - home, work or play. Which is why we are the number one yogurt brand in the UK convenience market.
