Woodstown Bay Shellfish Ltd (WBS Oysters) is a family owned and run business, which is currently being managed by the second generation of Barlows.

Established in 1990, the company is now one of the largest certified sustainable oyster farms in Europe.

WBS Oysters are exported to the global market, the largest of which being, Europe, Asia and the Middle East.

Why Us

WBS is one of the largest oyster farms in Europe supplying all major oyster brands.

The company has the ability to harvest and dispatch large quantities per day, while all produce is farmed in A Class waters.
